Medical Equation, Inc.

October 2011

Medical Equation, Inc. (MEI) provides a wide range of managed care/cost containment services to meet the emerging needs of the workers' compensation community. Since 1991, our panel of fully licensed, board certified physicians and professional staff have delivered objective, evidence-based medical record reviews to insurance carriers, third party administrators, and attorney firms located in Texas and throughout the nation. We have a commitment to quality and delivering you exceptional service.

National Coverage

Multiple State Licenses

To meet the needs of our clients throughout the country, many of our board-certified physicians are now licensed in multiple states. Rely on our expertise and many years of experience to assist you in adjudicating your claims. Our physicians have many years of experience utilizing the 4th, 5th and 6th Edition of the AMA Guides and the complexities related to workers' compensation cases.

Our physicians are licensed in the following states:

- Arizona
- California
- Colorado
- Illinois
- New York
- Tennessee
- Mississippi
- Georgia
- Pennsylvania
- Texas

Several more state licenses are in process to better serve you.

Contact MEI today to see how we can help you!

URAC Accreditation

We are proud to announce that Medical Equation, Inc. has been awarded accreditation as a Workers Compensation Utilization Management Organization by URAC.

URAC is a non-profit organization established in 1990 to promote accountability and quality in health care. As one of the premier accrediting bodies in the healthcare industry, URAC utilizes rigorous standards to assess organizations on their commitment to quality.

This achievement demonstrates that Medical Equation, Inc. continues to meet the stringent standards necessary to provide quality, cost-effective Utilization Management services.
