ask about our utilization review process and great pricing for physician preauth

Don't forget our maroon brothers in College Station, Texas. The Texas Aggies start the season out with 3 home games before hitting the road. The Aggie schedule is at:

[Texas A&M](#)

The panhandle of Texas has the Texas Tech Raiders who are well into the season with games played against SMU and New Mexico. The big upcoming game is against the University of Texas in an annual game dating back to 1960.

The Texas Tech schedule is:

[Texas Tech Raiders](#)

The Texas Longhorns and Texas Tech Raiders are both 2 and 0 headed into this weekend's nationally televised game from Jones Stadium in Lubbock. Catch it on ABC this Saturday 7:00 p.m. Central Time.

Texas Longhorns have a new quarterback this year and have won their first two games against Rice and Wyoming. Tech this weekend and OU in a few weeks should provide a strong test for the 2010 Horns.

Longhorns stats and schedule can be viewed at:

Announcing that Brian Buck, MD-Board Certified PM&R is now providing RX ODG Medical Reviews with a peer to peer telephone call option.

We help you reduce over utilized prescription drugs, with a proposed weaning process (provided by ODG) to prescribing physicians. In fact, our physicians provide a report that:

- Encourages appropriate medical treatment
- Promotes principles of evidence-based medicine
- Achieves greater accountability through communication
- Encourages the development of Rx Treatment Plans and
- Promotes weaning of RX process, when applicable
- Identifies Rx outside Treatment Guidelines
- Provides alternative treatment options when appropriate

We will attempt to speak to the treating physician as needed/required. Must be specifically notated on referral with this request (extra charge).

Medical Equation, Inc. provides outstanding value for you and your clients. We provide evidence-based medicine reports written by board certified physicians, outstanding turn around times and great prices. This equals great value for you and your client in a time when everyone is watching every penny.
